## ARCHITECTURAL REVIEW BOARD

The ARB Needs You!

Do you ever pass a new building or development in town and wonder how it gets to its final design? Do you wish that you could help shape the design and look of future development in Haymarket? Well now's your chance! The Architectural Review Board (ARB) of Haymarket is seeking additional members. With proposed development coming before the Town Council, now is a very important time to help create the look and feel of the town. In addition to reviewing homeowner's applications for decks, additions and other architectural changes, the ARB works very closely with developers to design and build structures that fit into the comprehensive plan for the town. You, as a Haymarket resident, could have a direct impact on the appearance and atmosphere of your town and community. No experience is necessary but there are three requirements: 1) You must be at least 18 years of age, 2) You must be a resident within the Haymarket town limits, and; 3) You must have a desire to improve our town! Plus, you get paid per meeting as an ARB member! Please consider making this important service to the town a part of your life. Contact the ARB Chairman, John Cole, or the Town Manager, Gene Swearingen, at Town Hall if you have any questions. See you around town!

## From the town manager's desk

By any measure, Haymarket Day 2007 was a huge success! We estimate that approximately 7,000 people attended the event and enjoyed music, food and a lot more. None of this could have happened without the hard work of a lot of volunteers who spent many, many hours preparing for the event.

Special thanks to Jennifer Preli, Sherrie Wilson and Mittie Broadnax of the town staff who were involved with the event from beginning to end; Cheryl Garcia of Exit Heritage Realty who managed the parade; Kris Johnson of the Chamber of Commerce who helped with sponsors; Dave Watson helped obtain the trolleys and prepared all of the parking lots; Mark Miller who oversaw the stages and the musicians; members of the Gainesville/Haymarket Rotary Club who helped out throughout the day of the event; members of the Battlefield High School Interact Club who helped with parking and the parade; and, law enforcement officers from Haymarket, Manassas and the Highway Patrol.

Two people deserve special credit for leading the way in both the planning and execution of the event: Mayor Pam Stutz and Councilperson Tasha Sikorsky. They were the driving force behind the event and deserve the credit for making it the best Haymarket Day ever.

This year the Town sold Haymarket Day sponsorships to businesses in the area. The sponsorship money was used to pay for the Trolleys, the fence around the Wine Tasting area, preparation of the parking areas, and to help cover the cost of the stages. Our Haymarket day 2007 sponsors were:

**The Harvey Insurance Agency, Inc. – Gold Sponsor**  
**Prince William Hospital**  
**The Haymarket-Gainesville Business Association**

**Dominion Construction**  
**Capitol Fence**  
**Dr. David Gore**

Work has already begun on Haymarket Day 2008 on September 20, 2008!
