## Chief's Article

The Haymarket Police Department (HPD) has many on-going projects.

Last year, the HPD began transitioning from their current RMS, (Records Management System) to a new system. The new system offers many advanced modules at a lower cost. Law Enforcement RMS software is mainly used to record and archive cases and investigations; however, many different modules can be added to the system such as fleet maintenance and departmental inventory. Motorola Solutions P1 system is currently used by the Prince William County Police Department and will allow for better information sharing between the two departments.

Staff of the Haymarket Police Department are also completing their 2024 annual report and will soon release it to the public.

Staff have also been planning local 2025 community outreach events. Many of the same events will be back for 2025.

The Departments semi-annual blood drives which are usually held in January and July have yet to be scheduled due to location issues, but we will soon have these dates.

The annual Polar Plunge is coming up soon! This fundraising event takes place at Leesylvania State Park, where participants jump into the cold water. The funds raised will be

used to support the Special Olympics. Chief Sibert will be joining his children for the event this year on February 15, 2025.

The Department's annual Senior Summit will take place on April 24, 2025, at Park Valley Church. Last year, the event attracted over 300 attendees and featured 65 vendors, thanks to a partnership with Caring Senior Service, Park Valley Church, and the Haymarket Police Department. Vendors offered services like nutrition, at-home care, legal assistance, and more. The event is designed to be no pressure, including an educational session on scams targeting seniors. In 2024, Lt. Governor Winsome Sears was the keynote speaker. Root-

ed in Haymarket provided free lunch from Mighty Meals. Registration will open soon.

Other community events scheduled for this year include the department's Annual National Night Out, a Women's Self-Defense Class, and the end-of-school ice cream social. Community members are encouraged to follow the HPD Facebook page for updates on these and other upcoming events.

## Snow Removal

The following is a summary of the snow policy that was adopted by the Town of Haymarket in 2024. For the full ordinance please visit our website or email Town Clerk Kim Henry at [khenry@townofhaymarket.org](mailto:khenry@townofhaymarket.org).

- **Town Responsibilities:** The Town of Haymarket must remove snow accumulations of 6 inches or less from Washington Street (Route 55) sidewalks and other town-owned properties within 24 hours after snowfall ends. For accumulations over 6 inches, removal must occur within 48 hours. The Town Manager may extend deadlines based on weather conditions, snow emergencies, or other factors. For ice or sleet, the Town will apply sand or other substances if removal is not possible without damaging the sidewalk.
- **Property Owner Responsibilities:** Property owners, tenants, and occupants must remove snow accumulations of 6 inches or less from their sidewalks within 24 hours, or within 48 hours for accumulations over 6 inches. The Town Manager may adjust deadlines due to weather conditions. For ice or sleet, they must apply sand or other materials if removal is not possible without damaging the sidewalk. Snow or ice cannot be plowed or shoveled onto public streets or properties. Failure to comply after notice may result in the Town performing the removal and charging the property owner for the cost.
- **Penalties:** A \$100 civil penalty may be imposed for violations. Each day of non-compliance constitutes a separate offense.

We would also like to thank Marchant Schneider for his years of service and dedication to the Town of Haymarket. Mr. Schneider served tirelessly on the Architectural Review Board for many years before being elected to the Town Council in 2020. For the past 4 years, he served in both capacities as a Councilmember and the Chairman to the Architectural Review Board. His desire to serve Haymarket was always his main focus. We will miss him on the Board. We wish Marchant and his family the best as they navigate through the next season in their lives.

The Council set their 2025 meeting schedule at the December meeting. Dates are available on the website. To participate in Citizens Time, email the Town Clerk at [khenry@townofhaymarket.org](mailto:khenry@townofhaymarket.org) by 3 PM on the meeting day to have your comments read into the record.

## **Free Little Pantry**

The Town Council hosted a ribbon-cutting ceremony at Haymarket Baptist Church on December 4th to celebrate the opening of a new Free Little Food Pantry designed to serve the Haymarket community. This thoughtful and impactful initiative was led by 17-year-old Naomi Schneider, an Eagle Scout candidate with Troop 924G, whose dedication and hard work made the project a reality.

The Free Food Pantry is a valuable resource for residents of Haymarket, offering a space where community members can both donate non-perishable food items and take what they need, especially during times of hardship. This self-sustaining project embodies the spirit of kindness and community, ensuring that no one in the town goes hungry.

Naomi’s commitment to her community and her efforts in bringing this project to life reflect the true values of scouting—service, leadership, and compassion. The Free Little Food Pantry is a lasting testament to Naomi’s hard work, and we are grateful for her initiative in making a positive impact in the town of Haymarket.

We extend our heartfelt thanks to Naomi for her vision, dedication, and perseverance in creating such a meaningful resource for those in need. Her contribution will undoubtedly make a difference in the lives of many local families for years to come.
