February 29, 2024

Mayor and Town Council,

The Town Staff is pleased to present the Proposed Budget for Fiscal Year 2025 (FY25). The budget facilitates the ongoing operational costs of the Town while earmarking funds for Capital Improvements and the expansion of services.

This past year the Town of Haymarket has witnessed strong growth in our community, both physically and financially. Our Town has an additional 117 townhouses, 20 single family homes and 41,795 square feet of commercial development space. The increased commercial growth has resulted in 11 new businesses, to include 7 new restaurants. With this growth, our Business License Tax and Meals Tax have shown increases this current fiscal year and are projected to maintain steady growth over the next year while they establish themselves.

This budget takes into consideration the Town Council's goals and objectives for developing the design of Town Park, construction of the Town Park Pavilion, Streetscape repairs, expanding the professional public safety services, remaining competitive for employee retention, increasing opportunities for continued education across the entire town government, and increasing community services while ensuring fiscal responsibility. As the Council deliberates through the budget work sessions and develops updated goals the Town Staff will adjust the budget to reflect these updates.

The Town has continued to recognize revenue increases due in part to the strength of our restaurants and the Town's meals tax, the addition of business growth, the steady state of the hotel and tourism, and the increase in property assessments. The real estate assessments have seen an overall increase of 9.6% this year compared to the prior year. With this increase in mind, the Town Treasurer has proposed to maintain the tax rate at .111 per \$100 assessed value. This rate will assist in providing the needed funding to accomplish the Town Council's recognized project goals and expansion of services.

Expenditures for FY2025 include expansions for the professional public safety services, an increase in Trash Services, the development of the Town Park Design, addition of Historic Gateway Signage, continued Streetscape maintenance and enhancements and the additional support for Staff education and retention. The upcoming budget will allow Staff the opportunity to continue their momentum on the work on capital improvement projects and maintenance efforts. Over the past few years, the expansion in the Administrative Staff has allowed for more opportunities to accomplish projects and provide better maintenance services. We look forward to continuing this momentum into FY2025 utilizing the proposed budget.

Sincerely,

Emily L. Kyriazi
Town Manager/Zoning Administrator
Town of Haymarket
