### 2. Agenda Items

A. Request from Tobias to add a discussion item

*With no objection from any members, Council discusses a specific Freedom of Information Act request received by the Clerk....*

The Town has received a freedom of information act request from a resident. The request is for a copy of all the attorney invoices from July 1 through services rendered on December 31, 2013. Tobias is concerned that the Town is redacting too much information from the invoices. The Town Attorney acknowledges that, ultimately, this is a decision of Council what is to be redacted from an attorney invoice. After some discussion, the Council agrees to redact any information that is specific to an employee if the employee is the subject of the matter.
